

## TrackTown Radio

For the second consecutive year, TrackTown USA will distribute free portable radios to interested spectators at the NCAA Championships. Each radio will have four channels providing expert commentary on the field events each day. On Friday and Saturday, Tom Lewis and Kyle Terwillegar of the U.S. Track & Field Cross Country Coaches Association will provide updates on the team scoring. The radios will be handed out from the replica East Grandstand in the Fan Interactive Zone in the SE corner of Hayward Field.
